- **Small group discussions: Being UU in the South**

What does it mean to be Unitarian Universalist in the South? Is our brand of Unitarian Universalism different here than it is in New England, the Midwest, or the West? If so, what gifts do we bring to our larger religious tradition? How do we spread the word about Unitarian Universalism to native Southerners who are looking for a liberal religious home? How do we address the very real social problems of our region in a relevant way? After hearing the different perspectives presented by the ministers in the morning's worship service, these are some of the questions we'll be examining in the small group discussions.
